Request for Certificate of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322/1.323.

The alleged errors in column 9 line 67 and column 10, lines 1 & 2, are in fact changes made in an Examiner's Amendment at time of allowance. Since applicant file no objection prior to payment of the base issue fee, no correction is in order here under Rule 1.322/1.323.

Per the examiner "*Proposed changes to claim 1 are denied because there are no errors in the claim. Moreover, the proposed changes would result in a change of the scope that would require additional search and consideration.*"

In view of the foregoing your request in this matter is hereby **denied**.
